GUILTY****FINDING**There being a finding/verdict of **GUILTY**, defendant has been convicted as charged of the offense(s) of:

Conspiracy to Aid and Assist Inadmissable Aliens to Enter the United States, in violation of Title 8 U.S.C. § 1327, as charged in Count Two of the Five-Count Indictment.

**JUDGMENT
AND PROB/
COMM
ORDER**

The Court asked whether there was any reason why judgment should not be pronounced. Because no sufficient cause to the contrary was shown, or appeared to the Court, the Court adjudged the defendant guilty as charged and convicted and ordered that: Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant is hereby committed to the custody of the Bureau of Prisons to be imprisoned for a term of:

70 months.

It is ordered that the defendant shall pay to the United States a special assessment of \$100, which is due immediately.

All fines are waived as it is found that the defendant does not have the ability to pay.

The Court recommends that the Bureau of Prisons conduct a mental health evaluation of the defendant and provide all necessary treatment.

Upon release from imprisonment, the defendant shall be placed on supervised release for a term of three years under the following terms and conditions:

1. The defendant shall comply with the rules and regulations of the U. S. Probation Office and General Order 05-02;
2. During the period of community supervision the defendant shall pay the special assessment in accordance with this judgment's orders pertaining to such payment;

USA vs. MAIRA TOLEDO-FIERROSDocket No.: CR 09-1013-PSG

3. When not employed or excused by the Probation Officer for schooling, training, or other acceptable reasons, the defendant shall perform 20 hours of community service per week as directed by the Probation Officer;
4. The defendant shall not obtain or possess any driver's license, Social Security number, birth certificate, passport or any other form of identification in any name, other than the defendant's true legal name; nor shall the defendant use, for any purpose or in any manner, any name other than her true legal name or names without the prior written approval of the Probation Officer;
5. The defendant shall participate in mental health treatment, which may include evaluation and counseling, until discharged from the treatment by the treatment provider, with the approval of the Probation Officer;
6. The defendant shall cooperate in the collection of a DNA sample from the defendant.

The Court authorizes the Probation Officer to disclose the Presentence Report, and/or any previous mental health evaluations or reports, to the treatment provider. The treatment provider may provide information (excluding the Presentence Report), to State or local social service agencies (such as the State of California, Department of Social Services), for the purpose of the client's rehabilitation.

The drug testing condition mandated by statute is suspended based on the Court's determination that the defendant poses a low risk of future substance abuse.

The defendant is advised of the right to appeal.

On Government's motion, all remaining counts are ordered dismissed.

In addition to the special conditions of supervision imposed above, it is hereby ordered that the Standard Conditions of Probation and Supervised Release within this judgment be imposed. The Court may change the conditions of supervision, reduce or extend the period of supervision, and at any time during the supervision period or within the maximum period permitted by law, may issue a warrant and revoke supervision for a violation occurring during the supervision period.
